

2010 June 5 NAWGJWA Board Meeting Minutes

Present: Nola, Denise, Marge, Lee, Jan, Barb, Laurie and special guests Ann H., Patty A, Kathy C, Judy D, Pam H.

No USAG WA re-alignment, just change of name from Seattle to Central Section.

Nola: her “bosses” are Ann H. and Carole Ide on the NAWGJ side / and Connie Maloney and Patti Gable on the USAG side.

Patti Gable and her board: Patti can choose whoever she wants to use for assigning USAG meets, and she chooses us because we do a good job. We need to be diligent. We have never had a sanction get voided.

Contracts for our fund raisers are done a year in advance. (Bids)

Financials: Nola has to do these and send to Ann and Betty S. We propose a budget every year – at the December board meeting.

Judges must go through the Line of Command with questions and complaints- Nola to Ann to Carole.

Our Board: Nola added a position called Unity and appointed Denise to be in charge of it. Purpose is to make the state stronger by unifying the whole sport –judges, coaches; East, West, North, South.

Lee made a motion that our board send a letter to the USAG WA board supporting 4 judge panels for the 9-10 State Meet. 2nd by Denise, approved 7-0.
